Please fill out all information listed above when requesting a bin delivery from Waste Management of Hampton Roads. All forms can be faxed to Waste Management once a day, or as needed. Residents who call to request outside recycling bins should be informed that bins generally are delivered on their area's next collection day. If you have a question about when a bin can be delivered, please call Waste Management at 868-6008.

**The following definitions may assist you in filling out the form:**

**INFILL BIN:** a newly constructed home never serviced with curbside recycling before.

**REPLACEMENT BIN:** a bin has been lost, or a new resident in a home already serviced needs a bin.

**SECOND BIN:** the household needs an additional bin due to the amount of recyclables generated.

**DAMAGED BIN:** structural damage to the bin, ask resident to place the bin at the curb on their next pickup day for replacement.
